**This month February, 2012 completes 40 years since February, 1972 when God called and brought Pastor Bent Altschul of Great Among The Nations (GATN) to this great American nation, and he responded in service.**

**LOS ANGELES, Feb. 7, 2012 /Christian Newswire/** -- Following the calling God placed on his life, Christian pastor, Benjamin (Bent) Altschul continues to fervently serve leading pastors and ministries using his own gifts and resources to be an asset for spiritual partners.

Pastor Altschul's mission is carried out by hosting Bible Conferences, Pastoral Workshops, and Christian Business Professionals Seminars amid other outreach programs. The focus always remains consistent with the most cherished message our world has received from the writings of the Apostles, namely Christ coming for the rapture of His people to go home with Him in glory. This message transcends denominational walls and sits on the edge of the end-time church age in which we live today.

A well-known Christian leader in America spoke earlier this week, "...if God can speak to a man, and then the man can turn around and speak the message to God's people with discipline and compassion; then he is a virtuoso with the music notes of the Holy Spirit in precision speaking to the hearts of believers."

According to Pastor Altschul, "God powerfully called me, and I responded by calling others with the same vibrancy, passion and dedication. I believe we live in the season of the rapture and God's call to His people is pivotal around the scripture of Matthew 25, among others. God makes good for His Word; after all Israel has once again become a sovereign nation which is the time clock for us all."
