Unique 'Phone-In Healing' Ministry Program Slated Again in the Southland by Benjamin (Bent) Altschul's Great Among the Nations, Inc. (GATN)

Where Personal Christian Ministry is as Close as Your Personal Cell Phone

Christian evangelism takes on a whole new meaning; your healing may only be "...a phone call away."

LOS ANGELES, March 8, 2011 /[Charisma Magazine](#)/ -- Pastor Benjamin Altschul of Great Among The Nations and Reverend Gwyn Vaughn of Faith Christian Assembly located at 13820 Seal Beach Boulevard, Seal Beach, CA 90740 (www.fcachurch.net) will host an upcoming evangelism outreach of prayer requests answered 'instantly' through telephone ministry on March 20, 2011.

In this generation, probably no means of communication has revolutionized the daily lives of ordinary people more than the cellular telephone so why not use the telephone for the work of spreading the Good News of the Gospel?

Altschul's Great Among The Nations, a ministry that supports, inspires and nourishes other pastors and ministries in growing their own assemblies, has accumulated multiple healing testimonies from restored people who personally experienced the "...reach out and touch" ministry method which is a simple, yet effective means of Christian evangelism.

Pastor Bent Altschul of Great Among The Nations ministers by phone

According to Benjamin Altschul (Bent Altschul), the Holocaust survivor turned publishing entrepreneur turned Christian pastor, "We have had great acceptance of our ministry's various outreach programs, but specifically the phone-in healing is very attractive for pastors because it takes modern technology to a higher level in the arena of God's purposes and it has already proved itself. Of hundreds of miracles witnessed over the years, just to name a few; we have seen a crippled man throw away his cane and walk healthy and strong again via Altschul's

telephone ministry as well as a bed-ridden woman jump out of her bed, dress and rush to the church to testify of God's healing power that lifted her out of her sick bed fully restored and as she reported; the entire congregation rejoiced."

Altschul continues, "The power of God's word to heal and restore people can easily be delivered via the telephone line, because we all know that Jesus healed the sick, and Jesus continues to heal the sick."

For further information, please see www.gatn.org which provides an overview of GATN's mission, including its statement of faith. Programs profiled on the site include bible conferences, personal ministry workshops, an aviation ministry and a television ministry.
