Pastor Benjamin (Bent) Altschul of Great Among The Nations Completed Anointed 7-Day Speaking Circuit At Pentecostal Churches in Northern Germany

Initial Speaking Engagement Hosted by Senior Pastor Andreas Timm of Christus Centrum Church in Tostedt, Germany

September 30, 2014 Hamburg, Germany

Christus Centrum Church Tostedt launched Pastor Altschul's speaking circuit during their "Prophetic Healing Service," and then the momentum and the crowd grew in the following days as the leaders and laymen travelled from church to church following Pastor Altschul's itinerary. Among the churches hosting Pastor Altschul in the greater northwest region included Pentecostal churches in Tostedt, Uelzen, Buxtehude, Neuenkirchen, Schneverdingen and the Elim Church in central Hamburg.

During the last meeting at Christuskirche Schneverdingen Pastor Vetter reported, "The turn out was twice as many people as expected!"

30-year seasoned minister, Pastor Benjamin Altschul shared his testimony of grace upon grace. "Absolutely an inspiration!" Was the reaction of one of the church leaders at Christus Centrum Church Tostedt when she received a complete miracle healing in her back from painful compression and irritation of the sciatic nerve. She demonstrated her newly regained movement of her spine by reaching down to touch the floor and then standing upright quickly again exclaiming, "I couldn't do that before!" as bystanders rejoiced.

Gerhard Herzet, translator for Pastor Altschul emphasized, "Today was a spiritual meeting where the joy breaks the yoke. Seldom do we see meetings like that!" Pastor Evelyn Schroder of Christengemeinde Neuenkirchen reported, "Pastor

Altschul's content of his sermon was absolutely identical with the message the Lord had already placed onto my heart."

According to Altschul, "The church is the spokesman of what comes from the mouth of the Lord, it is our commission to properly speak His Word." Hosting Pastor Andreas Timm, Northwestern Regional Director of the German Union of Free Pentecostal Churches had this to say, "Pastor Altschul has one thing in his heart – to get people to know Jesus and he is ready to serve any place God sends him."
